16 matching pairs (32 tiles)

4 Bingo cards

Purpose of the game

To be the first to complete your Bingo card.

Preparation of the game

Place the 32 tiles face down on the table and mix them.
Each player chooses a bingo card.

Playing the game

The youngest player starts the first game.
For following games, the player who just won starts the new game.

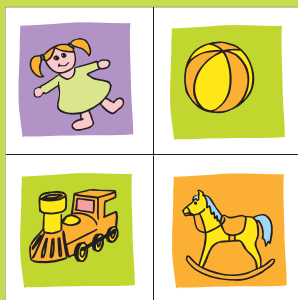

Taking turns in a clockwise direction,
each player flips two tiles.

If the two upturned tiles match and correspond to one of the designs on your bingo card,
place both tiles on the corresponding design on top of the bingo card.
You then get another turn.

If the two tiles that were flipped do not match or if they match but do not correspond to one of the designs on your bingo card,
flip the tiles back so they are face down again.
The next player will take a turn.

Winning the game

The first player to complete his/her bingo card wins.

2 to 4 players – Ages 3 and up – Play time: 10 minutes
